Promethean Inc. may, at its discretion, and subject to supply of specific information by the Customer to Promethean Inc. in the format, medium and time limit specified by Promethean Inc., and subject to installation by a registered Promethean installer, give the Customer an additional two (2) year return to base warranty on an interactive whiteboard.

It is the Customer's responsibility to return at its own expense all warranty Products or component parts to Promethean Inc. within the time and in the manner specified by Promethean Inc.

In the event that Promethean Inc. finds that the defective part returned by the Customer is not in fact defective or requests return of the defective part within a specified timeframe, which will not be less than 30 days from receipt of the warranty replacement, and should the Customer fail to despatch the warranty Product or component part within the specified time and in the specified manner, Promethean Inc. reserves to itself the right to charge the Customer the current Academic price in force in the United States of America at the time of receipt of the warranty replacement Product or component part by the Customer.

It is Promethean Inc.'s responsibility to repair and return all warranty Products to the Customer at Promethean Inc.'s expense. During the warranty period, Promethean Inc. will repair, or at its discretion replace, the warranty Products with new or refurbished parts.

### Limited Warranty Services

In the unlikely event that a Product should become defective during the limited warranty period, the Customer shall use best endeavours to resolve the problem locally. If these efforts are unsuccessful, the Customer should contact Promethean Inc.'s service support centre. Where Promethean Inc. is unable to resolve the problem, Promethean Inc. will provide telephone or email support to the user of the product during the limited warranty period. It is the Customer's responsibility to ensure that the person contacting Promethean Inc.'s service support centre is ready to supply the serial numbers of all Activboards and complete systems before Promethean Inc. can offer service support to that person. Furthermore, it is the Customer's responsibility to ensure that Promethean Inc.'s service support centre does not receive support requests relating to the following:

- The supply and installation of the Products
- Products for which the limited warranty has not been registered
- Products Promethean Inc. has not sold
- Products outside the limited warranty period
- Other Products the Customer may wish to purchase

### Limited Warranty for Promethean PRM-10 Projector and PRM-10 Projector Lamp

In the unlikely event that the Promethean PRM-10 projector should become defective during the limited warranty period, the Customer should contact Promethean Inc.'s service support centre by telephone or e-mail. Promethean Inc.'s service support centre shall use reasonable endeavours to resolve the problem remotely. Where Promethean Inc. is unable to resolve the problem with the projector by telephone or e-mail, Promethean Inc. shall despatch at its own expense a replacement projector, without a lamp, to the Customer. The Customer will return at its own expense the defective projector to Promethean Inc. If the defective projector is not despatched by the Customer within 30 days of the date of receipt of the replacement projector Promethean Inc. may, at its entire discretion, charge the Customer the full list price of the projector in force at the end of the 30 day period and a handling charge. At the time of delivery of the replacement projector, the defective projector shall become the property of Promethean Inc. and the replacement projector shall become the property of the Customer. The warranty period of the replacement projector will expire on the same date as the warranty period of the first projector to which the warranty relates. It is the Customer's responsibility to ensure that the lamp has been removed from the PRM-10 projector before it is returned and to ensure that the PRM-10 projector has been disconnected and removed from any mounting brackets prior to its return. It is also the Customer's responsibility to insert a lamp and to connect and re-mount the replacement projector.

The lamp warranty applies exclusively to complete failure of the lamp and is not applicable to normal wear and tear such as reduced brightness over time. The Customer should use reasonable endeavours to replace the lamp in a defective PRM-10 projector with a working lamp from another PRM-10 projector before contacting Promethean Inc.'s service support centre. Projector lamps are consumable items therefore Promethean Inc. provides no guarantee that the expected life will be achieved. For the lamp warranty to be valid, the projector must be operated in accordance with the instruction manual, with routine maintenance undertaken at regular intervals prescribed by Promethean Inc. The PRM-10 lamp warranty period commences from the date of purchase of the PRM-10 projector by the first Customer and is not transferable. The PRM-10 lamp warranty applies to the original serial number only; if an exchange projector has been provided by Promethean Inc. then it is the responsibility of the Customer to communicate to Promethean Inc. in the manner prescribed by Promethean Inc. both the original serial number and the serial number of the exchange projector. The lamp warranty is for a replacement lamp only and there is no cash alternative. Promethean Inc. accepts no liability for any costs the Customer may incur in complying with the terms of the lamp warranty. Promethean Inc. reserves the right, at its absolute discretion, to determine the validity of any lamp warranty claim. Where Promethean Inc. is unable to resolve the problem with the lamp by telephone or e-mail, Promethean Inc. shall despatch at its own expense a replacement lamp to the Customer. At the time of delivery of the replacement lamp, the defective lamp shall become the property of Promethean Inc. and the replacement lamp shall become the property of the Customer. The Customer will return at its own expense the defective lamp to Promethean Inc. If the defective PRM-10 projector lamp is not despatched by the Customer within 30 days of the date of receipt of the replacement lamp or if Promethean Inc. finds that the returned PRM-10 lamp is not in fact defective Promethean Inc. may, at its entire discretion, charge the Customer the full list price of the lamp in force at the end of the 30 day period and a handling charge.
